**Rick Tadros, CPA** has been in the accounting and tax profession for over twenty years now. His public accounting experience includes working with high net worth individuals, professionals, small to medium size businesses, and business management clients.

He has also gained experience working with business owners and independent professionals in many different industries such as real estate, manufacturing, construction, entertainment, medical and professional services and other businesses, as well as IRS, State and local tax audit representation and negotiations.

Rick has extensive experience in federal, state and local taxation for individuals, businesses, partnerships, LLC's, estates & trusts, gift taxation and exempt organizations. He attained his experience working for local medium-sized accounting firms as well as with the international public accounting firm of KPMG.

Prior to Spectrum, after having been associated with a business management firm for a long time, a few years ago he established his own firm to offer a more personalized service to his clients.

Rick is a member of the American Institute of Certified Public Accountants, California Society of Certified Public Accountants and is licensed to practice as a Certified Public Accountant in California. He also possesses a Masters degree in Taxation.
